FOR IMMEDIATE RELEASE

State Route 34 (East 5th Street) Near Camarillo Scheduled to Close Tuesday, Wednesday and Thursday Nights

Local Access Will Be Provided; Detour Provided for Through Traffic

CAMARILLO — The California Department of Transportation (Caltrans) plans to close State Route 34 (East 5th Street) south of the city of Camarillo for road work on several nights next week beginning Tuesday, Dec. 26.

The highway will be closed between Las Posas Road on the west and Pleasant Valley Road on the east. Signs have been posted to notify drivers of the scheduled road work, which involves repairs to the highway drainage system.

During the closures, local residents and property owners will have access to their property via Pleasant Valley Road. Through traffic will detour around the work area. Detour signs will be posted.

The scheduled closures are as follows:

From 8 p.m. Tuesday, Dec. 26, to 4 a.m. Wednesday, Dec. 27.
From 8 p.m. Wednesday, Dec. 27, to 4 a.m. Thursday, Dec. 28.
From 8 p.m. Thursday, Dec. 28, to 4 a.m. Friday, Dec. 29 (if needed).

The schedule is subject to change and weather-permitting.

The closures are necessary for workers to repair the highway drainage system. Union Engineering Co. Inc., of Ventura, is the contractor on the \$535,000 project, which is being paid from state funding.

Caltrans reminds drivers to “Be Work Zone Alert” and “Slow for the Cone Zone.”
